

Shower Soap Green Tea

**FAIR
SQUARED**

To mark the 30th anniversary of Fairtrade in Germany, we have developed a series of soaps in which the important Fairtrade raw materials coffee, tea, shea and coconut play the main role. These are handmade into solid body, face, shaving and hand soaps and are available in anniversary packs. They are part of the Fairtrade campaign „The talking products“ and behind the QR code is a film about the origin and manufacture of the product. The green teashower soap is suitable for both normal and sensitive skin. Rich in antioxidants. Soothes and refreshes. Green tea is said to have a rejuvenating and healing effect.
